SCHOOL BOARD HOLDS ILLEGAL 'SECRET' MEET

Hupf Chides Stites On Westlake Pact

Councilman Paul Hupf took City Manager Howard Stites to task Wednesday night for acting "much too fast" in drafting of an agreement with Henry Doelger Builder, Inc., for providing municipal improvements in Westlake Unit 9.

It marked the first time in Hupf's council career that he has clashed openly with Stites.

Subdivision may for the new tract was presented to the council at the study session, along with an agreement which would provide for the builder's installation of such facilities as electroliers, sidewalks and gutters.

The agreement did not call for posting of a cash performance bond by Doelger, as has been the policy in the past.

Stites told the council the agreement could be prepared for adoption at the regular Monday council session.

"Much Too Fast"

"That's much too fast," snapped Hupf. "I dislike the way this has been presented."

The councilman declared, "There's no protection for the homeowner if the builder should default."

Hupf said such matters should be taken under council study beforehand. "I haven't seen this before. We can't pass this by Monday," he said.

"But I just got this myself," protested Stites.

City Attorney Frank Blum said he had been instructed at 10 a.m. that morning to draw up a tentative agreement.

Stites apologized to Hupf, stating, "I'm sorry, I thought you knew this was just up for study."

Hupf argued, "There's no cash security in the agreement. What good is it? I realize Doelger's firm is a substantial one. But what if another builder with questionable finances comes along and asks the same agreement. We'll have to do the same thing for him."

"Not Final"

Blum pointed out that, "this is not intended as a final agreement."

Other matters studied at Wednesday's informal session included:

1. Recommendations from personnel board for creation of two new police department positions and title changes in the fire department.

2. Application of Camilla F. Spoulas for license to do business as The Donut Hole.

3. Letter from Daly City Police and Firemen's association expressing wish for close cooperation with the council.

4. Letter from Daly City Municipal Employees association confirming that all members of their organization wished to have union dues deducted from their pay checks.

5. Letter from city manager on two-hour parking for Acton street.

6. Second reading of ordinance rezoning Schenone property to commercial.

7. First reading of ordinance regarding sale of pets.

Auto Dealer In Plea To Save License

Thomas Drake, 27-year-old Daly City used car dealer, acted as his own witness, counsel and clerk Wednesday night as he struggled verbally to prevent revocation of his used car license in a two hour and 15 minute hearing before the city council.

His fate will be decided Monday night.

Drake, who operates a business at 6854 Mission street, was convicted in San Francisco last year of five counts of illegal advertising under the business and professions code.

On the basis of these convictions, city attorney Frank Blum presented evidence to revoke or suspend Drake's license under a Daly City ordinance which calls for such action against a dealer found giulty of violating the law.

First Time

Wednesday's hearing marked the first time the city has attempted to revoke a dealer's license under the local ordinance.

Four witnesses testified to substantiate City Attorney Frank Blum's evidence that Drake had advertised his used cars for sale under a "private owner" category.

Robert D. Miller, 56 Bismark, Daly City, said that Drake had placed some 14 newspaper ads with the witnesses' phone number to dupe buyers into believing

Manager's Costs Are Doubled

In two years, cost of operating the city's chief administrative office has nearly doubled, studies by THE RECORD showed today.

City administrator's budget for the fiscal year 1954-55 was $15,636.51.

This year's budget for the city manager totalled $27,356, not counting the 7½ per cent salary increases, five per cent of which went into effect February 1. This brings the total to approximately $28,500.

In 1954-55 total allocation for salaries in this department was $10,288.47, as compared with approximately $23,000 for this current year.

The 1954-55 budget showed the following breakdown for other miscellaneous expenses: supplies and materials, $441.10; meetings, $1311.46; postage, $33.64; equipment, $440.51; gas and oil, $367.06; motor equipment, $207.40.

Drunk Driving Count Hits SF Man Here: Pulls Weird Switch

A 47-year-old San Francisco man was charged with drunk driving here Tuesday afternoon when he left his car in the fast lane of traffic, jumped into a woman bar owner's vehicle, and drove wildly down Mission street.

Officers Charles Munday and George Brooks arrested both Lewis R. Hill, 60 Lamartine street, and the pub keeper, Violet Caraway. She was cited for being drunk in and about an auto.

Police said they first spotted the Caraway car stopped in the southbound traffic lane at the 7300 block on Mission. Moments later, Hill, going north on Mission, halted his car, climbed into the Caraway auto, and drove erratically a few blocks before being stopped.

Hill flunked a sobriety test at the police station. Released on $500 bond, he is due in court next Thursday.

The Caraway woman posted $50 bail.

The 1957 roster of federal, state, county and city officials lists EDWARD J. DENNIS as a Daly City councilman, and omits the name of PAUL HUPF, who unseated Dennis in 1956.

He'll be in a huff.

RAPIDLY taking shape is ultra-modern Westmoor High school, located off Westmoor avenue and Edgemar road. This shot shows progress at the entrance to the plant. The $2,514,189 school, second in the Jefferson Union High School district, is scheduled to open for 1200 students this September. Contractor Theodore Meyer & Sons, given 124 extra days to complete the project last January, are expected to finish the school by June 24. Unwieldy double sessions at Jefferson thus will be at an end.

Hi Board Speeds Bond Committee

Trustees of the Jefferson Union High School district Monday night took the first steps to organize a Citizens Committee for pushing the crucial $2,900,000 bond and $8 million state aid election here May 17.

Board members submitted names of citizens, representing a cross section of the district, to serve on the committee. Superintendent Edward D. Morgan said 15 residents will be invited to an organizational meeting later this month to start the campaign rolling.

The 15-member committee will direct a concerted drive to get approval at the polls on both issues. Their intensified efforts are expected to begin about six weeks before the balloting.

Trustees Monday night also approved a school holiday on March 29 in order that the district may hold a teachers institute at Jefferson. Theme of the day-long session will be "The District's Financial Position."

Morgan will explain the district's financial structure, matters of budgets, and other pertinent information during the morning session. In the afternoon, various departments of Jefferson and Westmoor will meet to discuss mutual problems, such as text book selection, curriculum development, and overall coordination between the two schools. The day will close with a meeting of the administration and the district's teachers association.

Trustees on March 20 will make a thorough inspection of the Jefferson plant. They soon will be presented a cost estimate by the district architect on safety changes recommended in the recent fire marshal's report.

In an effort to get ideas on construction of future schools, the board intends to visit new plants in four Bay Area counties beginning March 30. They will tour schools in Marin and Alameda counties first, then follow up by visiting San Mateo and Santa Clara county schools.

Last Saturday morning, Morgan and the board toured the Linda Mar area to examine possible sites for a fourth high school plant. The district hopes to negotiate soon to increase the Sharp Park site to 50 acres.

In other business Monday, trustees:

1. Continued reviewing administrative code.
2. Tabled consideration of establishing intercommunication sets in school buses.
3. Authorized superintendent to get additional information on soil conservation district.
4. Tabled discussion of salary schedule for 1957-58 school year.
5. Agreed to advertise for bids to sell district lot on MacArthur drive in Broadmoor.

Doelger Heeds School Bid, 'Delays' New Subdivision

Henry Doelger Builder, Inc., in compliance with a request from the Jefferson Elementary School district and because of the absence of two company officials, will ask that the proposed subdivision of Westlake basin adjoining Westlake Park be temporarily held in abeyance.

B. Poncetta, vice president of the Doelger company, said the action was taken on request of school district officials after they sought to open negotiations for acquisition of the 17-acre Westlake Basin area as a site for a new school.

Poncetta said that both he and Doelger will be out of the Bay area for from two to four weeks, but that upon returning a meeting will be set up with school officials immediately.

"Since it would be unfair to continue to proceed with subdivision plans without at least listening to the school negotiators," Poncetta said, "we have instructed the engineer to appear at the planning commission next Tuesday and ask to have the matter continued temporarily."

The Doelger company, when filing the plans for a 150-home luxury home subdivision last week, indicated the estimated selling price on each acre in the Westlake Basin parcel was $25,000. At this price the school district would have to pay an all-time record of $425,000 if it required the entire 17 acres as previously announced.

Poncetta, informed that the Doelger company had been criticized for attempting to subdivide after being informed the school district was seeking the land for a school site, said plans for the tract had been scheduled for submission to the planning commission before the school sought to purchase the property.

"We have always negotiated openly and fairly with the school districts here," Poncetta said. "We had heard rumors, of course, but in view of the high cost of improving the land there we were sure the school district was not serious about acquiring it."

He said that two offers from private schools for sites in the Westlake Basin area for about $25,000 an acre had been rejected because of development plans.

NEW BAY SPAN SOUGHT WITH TERMINUS AT SSF

Pointing out that the proposed Army street span has been proven "financially and physically impossible," South San Francisco councilman Leo J. Ryan Monday urged location of a southern bay crossing from his city to Hayward.

Ryan declared the bridge, which would be a low-level earth filled structure, would serve southern Alameda county and northern San Mateo county, "the two fastest growing areas around the bay," and would offer direct route to U. S. Highway 50 and the Central

CITY ACCIDENTS

Urge Safe Driving 'Incentive'

A safe-driving "incentive" program was proposed to the personnel board Tuesday by City Manager Howard Stites.

The "case in point" was believed to be the February 14 smash-up of a Daly City police car. The vehicle was practically demolished, with damage estimated at $1500.

Stites recommended that a program be developed in each department which would provide for cash awards or official recognition to employees with the safest driving record.

The manager's proposal was suggested as a means of holding down the accident rate for municipal vehicles.

Personnel board members expressed interest in the suggestion and directed Stites' assistant, Fred Avilez, to present a plan for the safe driving competition at the next meeting April 2.

$21 Tax Hike For W'lake 'Settlers'

Most of the original "settlers" in the Westlake subdivision will pay about $21 more a year in taxes as a result of a land reappraisal conducted there by the county in past weeks.

The tax raise will not, however, jump from $500 to $800 as reported erroneously in a metropolitan newspaper, in a story which quoted Councilman Del Wilson.

Wilson said at Wednesday night's council study sessions that residents of the original Westlake tracts would face land assessment increases of from 40 to 100 per cent.

Generally, the county's re-appraisal program on the North Peninsula has been limited to buildings, but the land assessments in Westlake are being reviewed because they were "vastly underassessed," according to Paul T. McKay, deputy county assessor.

McKay said an average lot assessed at $500 has been raised to approximately $800, meaning a $300 increase in value of the land.

Figuring about $7 per $100 valuation for all city and county taxes, this would mean a tax increment of $21 a year for the Westlake homeowners.

The new appraisal figures will take effect in the next fiscal year if they are officially recorded by June 1, McKay said.

Wilson declared that the reappraisal would hike Westlake homeowners' taxes from $20 to $50 a year.

Mayor Joseph Verducci termed the assessment increase "a fine thing if the county does a scientific job. This appears to be a legitimate attempt to equalize taxes."

"But I feel sorry for the people when they get their tax bills," observed Wilson ruefully.

Jitney Officials Await PUC Verdict On Routes

Northgate Transit comany's application for two new routes — one to Stonestown and a second to the Olympia-Palisades sections in Westlake—were taken under study by the state public utilities commission Thursday following an abbreviated hearing in the Daly City council chambers.

One of the shortest transportation hearings in record, 45 minutes, it also was one of the least attended. Four persons showed up for the proceedings, all of them representing parties with direct interest in the applications.

Attending were Jack Kendree of Henry Doelger Builder, Inc., City Manager Howard Stites and two representatives of the jitney firm.

There were no oral protests against the routes and the city council remained neutral on the issue.

A letter from the Stonestown merchants endorsing the new route was read into the record. The merchants said they would support the line providing schedules and equipment were satisfactory.

The commission is expected to rule on the applications in from 30 to 60 days.

The Northgate jitney operation is currently confined to the Daly City - Broadmoor areas and does not traverse any territory in San Francisco.

Elementary Trustees In Violation of Brown Act

An illegal meeting of the Jefferson Elementary School district board of trustees was held Wednesday night.

Scheduled as an informal study session on board policy, at 10:15 p.m. the chairman called trustees to order for a special meeting to pass on application for state aid on a 10-acre parcel of property on Hanover street.

The action was in direct violation of section 54956 of the Brown act, or "secret meeting" law, which requires that the press be notified in writing at least 24 hours in advance of a special meeting.

The government code provides that all public media who request notification of special meetings be so informed.

THE RECORD officially requested notification of all public meetings in a letter dated October 19 which was duly received by the board of trustees and acknowledged at a later public meeting.

One Transaction

Only action taken at the special meeting was filing of application with the state department of finance to gain approval of the 10-acre Irene Meussdorffer property at 487 Hanover street. The property is planned as site for replacement of Gen. Pershing school.

Assistant superintendent David Shapiro said the action would be re-affirmed at next Wednesday's regular board session. The document was, however, forwarded to the state this week under signatures made at the "secret meeting," apparently to speed up the transaction.

The special session was called late in the evening after the policy discussion, after chairman Katherine Mullen noted a quorum was present. Other two trustees in attendance were Joseph Lewkowitz and Hartley Appleton.

Previous 'Secret' Meets

The Jefferson Elementary board, which has conducted previous special "secret" sessions which were editorially attacked by THE RECORD, met Wednesday to develop policies which would bind the board for one year. The fact that the policy sessions were to be held were announced at the previous regular meeting. But no mention was made of the special meeting and THE RECORD received no notification, written or oral, of the extraordinary session.

Government code section 54956 of the Brown Act stipulates, "A special meeting may be called at any time by the presiding official of the legislative body of a local agency or by a majority of the members of the legislative body by delivering personally or by mail written notice to each member of the legislative body and to each local newspaper of general circulation; radio or television station which requests notice in writing. SUCH NOTICE MUST BE DELIVERED PERSONALLY OR BY MAIL AT LEAST 24 HOURS BEFORE THE MEETING."

Trustees Not Told

Besides failure to notify the press, individual trustees were not contacted by written notice of the special session.

The board chairman noted Wednesday that they could act in an official capacity since a member of the press was in attendance. He was a reporter from a Peninsula newspaper. This does not alter the 24-hour notice requirement, however, and the session still constituted an illegal meeting.

Whether the action taken will be voided awaits a ruling from the district attorney's office.

Assistant Cop Chief Position Nears Reality

The much belabored and long-delayed issue of creating an assistant chief of police position passed the next-to-last hurdle Tuesday night when the personnel board unanimously approved the new post.

The board also adopted duty statement for the new job of police captain and approved title changes in the fire department.

These issues were all but decided in January when the city council learned the personnel board's actions had been voided by failure to call public hearings on the new positions.

Tuesday's decisions were made as a result of board hearings last month.

A scattering of city employees were on hand to hear the proceedings. Earlier much opposition had been directed toward the assistant chief job, since nonresidents will be eligible for the post.

Only protests Tuesday were by Fire Chief Elmer Kennedy. He asked that men currently on the fire captain eligibility list be allowed to remain there, instead of being transferred to the battalion chiefs list. Under the title change in the fire department, men now serving as captains will be designated battalion chiefs, while a new list will be created for the lower ranking position of captain.

Kennedy said the three men on the current captains list choose to remain there since there will not be any new openings for battalion chief positions. His request was held for further study.

Kennedy also questioned the high school "equivalency" requirement for captains and asked that the men be allowed to serve on probationary status until they have completed the necessary educational requirements.

Personnel board members indicated that each case would be weighed individually as candidates appeared for jobs.

In addition to adopting duty statements for the two new positions and the two title changes, the board officially "established" some 40 city jobs already in existence to insure the legality of the positions.

Construction Here During February Hits Half Million

Building was on the upswing here last month with a total of 73 building permits issued for construction valued at $510,481, department of public works reported today.

The figure for January, by comparison, was 45 permits amounting to $171,412 in construction.

The February breakdown:

Forty-six new dwellings, $378,295; 5 new Westlake apartment buildings (41 units), $116,288; 20 dwelling alterations, $13,970; one demolition, $700; one commercial alteration, $250, and one retaining wall, $200.

SSF Wins N. County Health Site?

Daly City's chances for a north county health center hit a new low Monday when South San Francisco city council tentatively approved providing the county with a 3.9 acre parcel for the health clinic and a superior court site.

South San Francisco will deed a one-acre parcel in El Camino park to the county for the superior court, with the additional land going for the health site. The health site portion will be sold to the county.

Bar Dispute Here Ends In Stabbing, Hold DC Man, 52

A 52-year-old Daly City elevator operator will answer in court next Thursday on charges that resulted from the stabbing of a 53-year-old mechanic early Sunday morning in a Mission street tavern.

Released on $100 bail was Joseph L. Silva, 388 Hillside boulevard, who allegedly wounded Carl Potter, 230 Hillside, during an argument at Eve's Place, 6582 Mission.

Silva was booked on suspicion of assault with a deadly weapon, disturbing the peace and for being drunk in a public place.

Potter, stabbed twice below the ribs, was reported in good condition at Community hospital today.

Arresting officers James Sunderland and Jerry Galindo took Silva into custody inside the bar after they spotted the bleeding Potter staggering in the middle of Mission street. A four-inch pocket knife was found in Silva's rear pocket, police said.

A witness, Antone Zmak, 701 Exelsior street, San Francisco, said he saw Silva attack Potter. When he tried to intervene, he said Silva knocked him down.

Silva denied the stabbing and Potter gave no explanation of the incident at the time. Both were intoxicated, officers reported.

Swallows Button, Infant Girl Dies

Swallowing a blue button caused the death of a 19-month-old Daly City girl in a doctor's office here Thursday afternoon.

Victim was Patricia D. Ruiz, daughter of Mr. and Mrs. Ramon Ruiz, 315 Wellington avenue. She was rushed to the doctor's office and pronounced dead 30 minutes later when artificial respiration and a tracheotomy failed.

Death first was believed caused by the child's choking on a piece of bread. An autopsy performed at W. C. Lasswell's, however, produced the button.

Funeral services were conducted Saturday. Burial was at Holy Cross cemetery.

the cars were privately owned.

Stephen Rouprich, 17, of 364 Miriam street, gave an account of how he showed one of Drake's cars at his home, after Drake had advertised the vehicle with Rouprich's phone number.

Daly City police inspectors Bruno Conci and John Walsh told of preliminary investigation and subsequent arrest of Drake last year by San Francisco policemen on the illegal advertising counts.

Denies All

Drake, who denied most of Miller's and Rouprich's statements, called two of his own witnesses.

One was an employee at his used car business, Don Condencia, who alleged that Miller drove by the car lot on numerous occasions and shouted "unrepeatable obscenities" at Drake and his wife. Drake charged that Miller had placed the ads himself and the car dealer said that when he learned of Miller's transactions, ended his business association with him. This, Drake claimed, ired Miller and prompted him to swear out a complaint against Drake on the illegal advertising charges.

Drake called as a character witness Eugene Cowan, 182 Wilshire. Cowan said Drake was "honest and truthful." He urged that the council weigh the matter carefully "since the future of this man is at stake."

Among other things, Drake charged that local police "went too far in patrolling his car lot four or five times a day" to check if Drake was driving a car with a revoked license.

Peeked In Cars

Drake claimed that police ran up on his lot every time a car left the premises and peeked in to see if Drake was driving. "Under whose instructions did they do this?" he asked.

Blum objected to the questioning, claiming it had no bearing on the case.

Drake also showed seven letters of character witness.

Drake, also known as Jerome Biddle, formerly lived in Daly City and now resides at 2385 40th avenue, San Francisco.

He has had numerous escapades with the law but by prior agreement, none of his convictions on other misdeameanor counts were brought into the hearing.

Councilmen closed the hearing but delayed a decision until Monday night's regular meeting to allow them time to review the evidence.

Six Tires, Floor Mats Stolen From Car Lot

Culprits stole $420 worth of spare tires and floor mats last weekend when they raided the rear lot at Gateway Chevrolet, 7400 Mission street.

Jack Fegguson, reporting the loss Monday, said the six tires and two mats were removed from car trunks.

New Bay Span Sought With Terminus At SSF

(Continued from Page 1)

Valley.

The western end of the proposed span would hit Sierra Point in South San Francisco at the location where the over-water section of the Bayshore Freeway, now under construction, rejoins the mainland on the south.

Its eastern terminus would be in southern Alameda county near the northern city limits of Hayward.

Ryan said the bridge would augment the Dumbarton, San Mateo and Bay spans to "complete the plan for rapid and easy transit between the Peninsula and the East Bay."

The councilman added that the span would "provide the only means of possible egress from the Peninsula for approximately 1.5 million people in case of a national disaster or war which knocks out the fragile Bay Bridge and Golden Gate Bridge."

He estimated the structure could be built for $100,000,000, including all necessary approaches, since fill for the span is available on the site in the San Bruno range, eliminating high cost of transporting fill from a distant point. He contrasted this figure with the $500,000,000 estimate for the late Army street crossing.

Ryan urged persons interested in his proposal to contact their Chamber of Commerce, labor unions, manufacturers associations and city councils.

SSF Wins N. County Health Site?

(Continued from Page 1)

agreement, confirmed by County Manager Robert Stallings, was the result of more than a year's "quiet" negotiations.

Stallings commended the South San Francisco officials for "showing an unusual amount of cooperation in helping us to solve this complex situation."

While the board has not acted officially to accept the pact, formal approval is expected as soon as an appraiser selected jointly by city and county can determine value of the 2.9 acres up for sale.

Rozzi said all money from sale of the land would go to improve the city's recreation program.

Stallings said that tentatively the site would include the municipal court, the superior court, offices for the court clerks and employees, a deputy district attorney office, space for the bailiff and possibly for a deputy sheriff station.

Announcement of the tentative pact virtually eliminated any hope of Daly City acquiring the health site. Just last week the Daly City council pledged a renewal of efforts to win the health facility for this city, but prospects were all but eliminated by the South San Francisco deal.

Peter Street Residents Lose Zoning Battle

cess to a new and used car sales and service building they plan to construct.

The plaintiffs, Mr. and Mrs. Theodore Wendt Jr., Mr. and Mrs. James Boxum and Mr. and Mrs. Jacob Hein appeared in Judge Murray Draper's superior court to ask that the re-zoning be set aside as "procedurally wrong" and "arbitrary and discriminatory" aganist their rights. They held that the zoning change would constitute a "public nuisance and depreciate their property."

Judge Draper ruled the city's action in re-zoning the strip valid.

Defendants along with the city in the case were Neville Motors and William and Ricco Lagomarsino, realtors.

Tom Gallen, representing the legal office of Frank Blum, city attorney, represented the defendants.

THORNTON PARK FACES POSSIBLE TWO-YEAR DELAY

Money for development of Thornton beach as a state park may not be made available until as late as June 30, 1959.

Dee Van Nest, Daly City recreation director, conferred with state division of beaches and parks authorities in Sacramento last week.

Van Nest said he was told the funds for developing the park site just west of Daly City would be allocated sometime between the present time and the 1959 date.

Van Nest said the major problem confronting the state was acquisition of an additional 34 acres to supplement the 51 acres now owned by the state.

He declared that access to the beach area was also a matter requiring more engineering work. The coastal area has been beset by slides and there is virtually no access at this time.

Van Nest said the state was negotiating with the Olympic club and other adjacent property owners for acquisition of the additional land.

Three Jeff Youths Enjoy Joy Riding, Land In Hillcrest

Three carefree Jefferson High youths who went joy riding in a stolen car were confined to Hillcrest Juvenile Home early Tuesday.

The trio, admitting they swiped a '57 coupe from the Gateway Chevrolet lot Friday night, were arrested by San Francisco police late Saturday afternoon in Golden Gate Park during a drinking spree.

Ringleader of the escapade said the keys were left in the car "so we decided to take a ride." The youths drove around San Francisco Saturday morning, then picked up three girls and some liquor for a party in Golden Gate Park. Police ended the revelry before the trio could even sample their vodka.

The car belonged to Jerold Bocci, 117 Garden Lane, Colma. The youths took a typewriter from the back seat and sold it at a San Francisco hock shop. They also unloaded Bocci's spare tire for cash at a local gas station.

COLD 'HOT POTATO' ON SALE OF MEAT REVIVED BY WILSON

"After-hours" sale of meat, a contentious issue for some time last year, was brought up again at study session Wednesday night by councilman Del Wilson.

Wilson claimed he had received phone calls from many housewives who "would like to shop in Daly City but don't because the butcher shops close at 6 p.m."

The councilman said he had contacted the San Francisco butchers union and they had declared themselves "neutral" on the issue.

"When we considered this before we thought it was a union matter," Wilson said.

"I had no such impression," remarked Councilman Paul Hupf.

Wilson said the Daly City law limiting sale of meat to the hours between 8 a.m. and 6 p.m. Monday through Saturday was an antiquated one adopted before modern refrigeration methods.

The issue, a "hot potato" last year as nearly a 100 independent butchers swarmed the council to protest rescinding the law, drew no further comments from councilmen.

GROUSING ON THE SIDELINES

A north county health clinic for Daly City has been one of those occasional Senator Klaghorn issues that has been the object of council polemics, subjects of the futile "joint meetings" and referral to the inevitable "study committee."

Daly City and the county have been infamously particular to detail in the staging of this governmental vaudeville show.

Just last week the comedy of errors appeared ready for a new performance, until news broke Monday that South San Francisco had all but signed a pact with the county for locating the health center (and a superior court to boot) in their city.

Daly City had said it would not seek the health center if the city had to pungle up money for the site.

Thomas Callan, supervisor from this district, countered that the county had $60,000 in the kitty for a health center, but that Daly City would have to offer the county a free site if it wanted the facility.

And so the great debate flared intermittently, and Daly City this week found out how effective its forensics were.

South San Francisco says it practically has the health center signed, sealed and delivered. And the county will pay for it.

A source close to the court house indicated the South San Francisco council proposal will win county approval and will close the issue.

A health clinic in Daly City or its immediate vicinity would have filled a critical need here for the indigent and poor, besides its value in carrying out routine health functions of the county.

Daly City has apparently missed out on the facility because of the failure to make a frontal attack into the issue, preferring instead to grouse harmlessly on the sidelines while the sister city to the south was negotiating "quietly" but firmly for something they wanted and got.

Jeff Adult School Opens Income Tax Class Monday

With the income tax deadline just around the corner, Jefferson Adult school announces the opening of an eight-week course in Income Tax Compilation. Classes will be held at the high school in room 19 on Monday and Wednesday evenings from 7:30 to 9:30, beginning next Monday.

The course, given in cooperation with the Internal Revenue department and the State Department of Education, will include gross revenue, deductions, declarations, withholding, and dividends.

Clay Dodge, public accountant with a degree in Business Administration from Golden Gate college, will conduct the classes. Interested persons may register by phoning PL 5-6661, or in class on Monday. There is no fee for the course.

Two classes in Driver Training will open March 18, one for local residents to be held at the high school, the other for Coastside residents to be given at Sharp Park school.

Since its inception a few months ago, more than 200 adults have taken advantage of the classes in driver education offered by the Jefferson Union High School district. The course covers a five- to six-week lecture period, followed by behind - the - wheel instruction.

A $12 fee is required for the course. Since the class is limited to the first 30 to register, those anxious to enroll are asked to call PL 5-6661 immediately.

STATE INCOME TAX DEADLINE IS APRIL 15

California taxpayers, look alert! April 15, the final date for filing state income tax returns, is approaching.

Robert C. Kirkwood, chairman of the Franchise Tax Board, today pointed out the advantages of early filing to taxpayers of the state.

The Board is extending every possible cooperation to the taxpayer," Kirkwood said. "Now is a good time to obtain help in filing your return. Board auditors are now in a position to assist taxpayers who want help—but because of the last minute rush, such help may not be available as we come closer to April 15."

W'moor Science Club Hears Talk On Paints

Neal Bernard, research chemist for W. P. Fuller Company of South San Francisco, delivered an informative talk on paint chemistry to the Westmoor High Science Club at its recent meeting.

The club is composed of students interested in all fields of science. Most members are chemistry students, who asked many questions about the manufacturing and composition of various paints, lacquers and finishes.

AERO MOTORS WINS CONTRACT FOR TRUCK

Aero Motors won the nod over two other firms Monday as the North San Mateo County Sanitation district awarded the firm a contract for supplying a one-ton flatbed truck. Aero's low bid was $1855.50.

The new truck will be used in installation of sewer equipment.

The district directors received notification from the Daly City planning commission of the tentative map for Westlake unit 1-A in the park basin site. The district must grant approval of the sanitary sewer connections in the proposed new tract.

In other action Engineer C. L. White reported on progress of new sewer line being installed across Alemany boulevard and Inspector James Poket notified the board that a guard railing was being installed at the sewage outfall line.

An ordinance which would prohibit connecting roof drains with sanitary sewers was pigeon-holed as directors decided that only a few new dwellings would be affected.

Westmoor Slates Class, Student Body Elections

Westmoor High students ratified their new constitution last Wednesday and are gearing for next week's student body and class officer elections.

Cheer leader and pep girl candidates performed at a tryout rally Monday. Nominations for officers for the current term will be held this Thursday. Installation of new student body officers is set for March 18.

SM COUNTY COUNCIL LAUDS NEWSPAPER FOR SCOUT STORIES

Dear Mr. Bradshaw:

Now that the month of February is over, I want to take this opportunity to express my personal thanks and appreciation, and those of the San Mateo County Council, for your excellent handling of Boy Scout Week stories.

The 47th anniversary of scouting saw 13,000 boys and nearly 5,000 adult leaders of San Mateo County actively participating in over 320 Cub Packs, Scout Troops and Explorer Units.

We deeply appreciate your continued interest.

Sincerely,
Earl F. Schmidt, Jr.

PL 5-0679

Since the Girl Scouts and Brownies are around and about with cookies this time of year, it seems only fair to begin with a GS birthday party, given by Pamela Morgan on Garden lane to celebrate her becoming the magic age of 11. Her party was a buffet supper, with the ever-popular hot dog as entree, plus salad, cake and all the rest of favorite foods for growing girls. Guests included Lois Carlson, Gerrie Giese, Diane Gold, Pamela Hoyt, Lynn Jones, Cathy Leech, Janis Luttringer, Kathy McDonald, Marietta Shanoian, Susan Sherman, Penny Simpson, Janet Spencer, Susan Subke, Charlotte Webb, Laurie Rice, Judy Fanfelle, Susan Ecker, Jane and Nan Miller, and sister Marilyn Morgan.

When Foothill's Rudy Miller had to go north on a business trip, wife Lita just packed up and went with him for two weeks of getting away. (And every other wife and mother for miles around turned green, you may be sure!) They went to Medford and Portland, and even up to Vancouver, while ever-helpful grandma stayed with the children. When they got back, it was just time to have friends and neighbors in for a surprise birthday party for Rudy. Altogether, February was a nice sort of month for the Millers.

With Library Week (March 11-15) coming up, Marion Garthwaite, San Mateo county children's librarian, is planning a display of California Indian artifacts at the DC Library, especially for Cubs in uniform, as this is Indian month for them and their projects. The display will be on Thursday, March 14, at 3:30 p.m. The DC Library is at 6351 Mission for those who are new to this area. Mark the calendars, everybody.

Surprised Vera

Ask Vera Watts about her surprise baby shower, and she'll tell you she was surprised, all right—thoroughly! This delighted the hostesses, of course — Addie Mattison, Lue Sinclair, and Betty Miceli. They gave the shower at Lue's house on Sweetwood, and for four nights Addie had to invent things to keep Vera from going out and doing baby shopping! Guests who did Vera's shopping for her were Mary Syriac, Janet Edler, Janet Hoffman, Jenny Riley, Ruth Delgado, Phyllis Serabian, Ann Schweitzer, Hermie Sinclair, Clair Catalano, Helen Lane, Betty Gledhill, Katharine Hurst, Dorothy Davis, Ollie Cranert, and Nora Gunn. The house was a veritable rainbow of baby colors, with a "Bundle from Heaven" cake in the middle.

Tom Gantert's family, Mr. and Mrs. Othmar Gantert, have been visiting for a week from Minneapolis, and they came just in time to see the new addition to the house completed this past week. (And is the whole Gantert family ever glad of that!) Most of the time they have spent with their grandchildren, and doing some sightseeing on the less rainy days. Special occasions were a dinner at Omar Khayyam's and a visit to the tea garden and to Mission Dolores. There was also the class play at Mary Beth's school, and the Girl Scout father-and-daughter dinner, which both Tom and his father enjoyed.

Fairlawn's Nancy Rubin couldn't let her brother get ahead of her. He had a birthday last week, so she had one this week—her fifth. Guests coming for the special occasion were Betty Wierner, Cheryl Levinson, Debbie Casillio, Sassy Gordon, and Stephanie Torre. Special wishes came to her from her grandmother and grandfather Rubin in Brooklyn, New York, and from her close-at-hand grandmother, Mrs. Rose Dodd.

Azgay Angay

If the title of this bit confuses you, it means "here and there" in Armenian. We took the liberty of borrowing it from George Mardikian since we have been reading his new book "Song of America," and he used it for the title of a column he wrote in his early years in SF . . . Speaking of books, anyone associated with Brownies will like "Just Be Yourself" by Mary Bard. We don't have Brownies in our house yet, but we know what to expect! . . . Seen that portable children's ride yet? It's been around for a few Saturdays. It is a junior-sized whip on a large truck, which can park wherever children congregate and provide a bit of fun at the front door, so to speak. . . . Rebel Pattison, Larchmonteer, celebrated her first birthday by wearing her cake in her hair for the family dinner. . . See Maddux drive's Eddie and Margaret Box on "Adventure School," KPIX, last week? Quite the troupers. . . . Sorry to report that measles and chicken pox are still on the rampage, and that too many fathers and mothers have had headaches and flu and whathaveyou, including Stan and Judy Wilson of Maddux. . . . Give Helen Stout credit for what we think is a terrific idea. Instead of the usual Silver Tea, the Presbyterian Women's Association is planning to have a children's fashion tea sometime in early May, with only children's clothes shown, according to present plans. Look for the usual hum of activity from this group! . . . As a sort of relief from weeks of nursing young ones with M and CP, the Cullens and Pattisons deserted Larchmont long enough to go out to dinner. . . . Kathy and Robert Macklin are delighted with their new transistor-type radios, their parents are delighted with the new plans to add some 625 more square feet to their Village Lane home (2 bedrooms, one bath, and one playroom), and the Macklin cat is delighted with her latest litter of three kittens. Anyone want a cat? They are for Free! Call Berta M.

This seems to be a very Girl Scout-y column this week, but we found out something kind of nice to know about, and that is that the Girl Scouts in this area have a blood bank, for the use of family and friends of said GS. In fact, one father has already had the use of it, and is grateful that it was there to use. Right now there is a total of eleven pints in the bank, and anyone needing any of it may call Bea Gantert, PL 5-2085, or Edythe Fanfelle, PL 5-2242, who are the co-chairmen.

Snow Fun

Lucy and Ebano dal Porto and family spent Washington's birthday at Strawberry Lodge, where there was enough clean white snow for snow men and snowballs, but not quite the right kind for good skiing. This last they had on hearsay only! It was crowded, though, and toboggans were popular. Lucy said at least she knew the children were clean-snow-wet, which was something of a comfort among all the clothes to dry!

Found out that there will be a training course for Great Books Discussion leaders given, starting March 18. It will be for ten weeks, ending May 20, and will be free at the SF Public Library. There are pamphlets all about it over in the Westlake Library. The Great Books program is one "designed to foster liberal education for adults through group discussion of good books dealing with the basic problems of mankind," with the premise that these problems are perennial, and the great thinkers of history can contribute towards modern solution.

Also heard that Timothy Norman was home on a three-day leave from his USAF base at Palmdale, to the delight of his parents, his fiancee, and all the friends and neighbors on Larchmont.

There is another fashion show in the offing, too. This one will be given by Jobs Daughters, Bethel 198, on Sunday, March 24. That day, about 1 p.m., children, parents, Jobies, and people from the stores will be busy in the Benjamin Franklin school multi-purpose room, showing lovely fashions. Why don't you buy a ticket and be one of the lucky ones to see what a good group of girls can do with the cooperation of their hard-working mothers? Nothing nicer for spring than pretty clothes, and pretty models to show them.

Something For Everyone

With Lent just getting under way, the Daly City Public Library and its Westlake - Broadmoor Branch are calling attention to books of a religious and inspirational nature suitable for Lenten reading.

Catholic readers will be especially interested in such recent titles as THINKING LIFE THROUGH, by Fulton J. Sheen; 1,000 QUESTIONS AND ANSWERS ON CATHOLICISM, by Philip O'Reilly; WHAT IS CATHOLICITY? by Paul Hallett; ST. ANNE — GRANDMOTHER OF OUR SAVIOR, by Frances Parkinson Keyes; THE CATHOLIC COMPANION TO THE BIBLE, by Ralph Woods; THE CATHOLIC SHRINES OF EUROPE, by John Cartwright; ST. IGNATIUS AND THE JESUITS, by Theodore Maynard; THE POPES: THE HISTORY OF HOW THEY ARE CHOSEN, ELECTED AND CROWNED, by Zsolt Aradi; THE WISDOM OF CATHOLICISM, by Anton C. Pegis; THE HOLY BIBLE, translated by Monsignor Ronald Knox; ST. FRANCIS OF ASSISI, by Leonard van Matt and Walter Hauser; and THE POPE, by Constantine, Prince of Bavaria.

For Protestants, there are such books as WHAT IS VITAL IN RELIGION, by Harry Emerson Fosdick; THE SECRET OF HAPPINESS, by Billy Graham; THE BIBLE PRIMER, by Ray Jenney; BIBLE STUDY FOR GROWN-UPS, by Frank Eakin; YOUR PRAYERS ARE ALWAYS ANSWERED, by Alexander Lake; RELIGIOUS FACTORS IN MENTAL HEALTH, by Wayne E. Oates; YOU ARE NEVER ALONE, by Lowell R. Ditzen; BEHOLD THE GLORY, by Chad Walsh; GUIDE TO THE GOOD LIFE, by William Atwell Spurrier; BEGINNINGS IN THEOLOGY, by Jack Finegan; THE DEVELOPMENT OF MODERN CHRISTIANITY, by Frederick A. Norwood; THE VIRGIN MARY, by Giovanni Miegge; and HEAVEN AND HELL, by Aldous Huxley.

There are many works of fiction, both new and standard, which are based on religious themes, some of which are equally rewarding as Lenten reading. Among the newer titles are Jane Oliver's SING, MORNING STAR, on the life of St. Margaret of Hungary; Henrietta Buckmaster's AND WALK IN LOVE, a biographical novel on St. Paul; Darwin Teilhet's THE ROAD TO GLORY, concerning Father Junipero Serra and the Serrat Indians; and the recent oustanding collection of short stories by the Catholic author, J. F. Powers, THE PRESENCE OF GRACE. Older titles include many of the works of such favorite authors as A. J. Cronin, Sholem Asch, Louis de Wohl, Graham Greene, and Georges Bernanos' DIARY OF A COUNTRY PRIEST.

For any of these books, or others suitable for Lenten reading, inquire at the Daly City Public Library, 6351 Mission street, or its Westlake-Broadmoor Branch, 34 Park Plaza drive, in the Westlake shopping center. Remember, your public library has something for everyone.

SAFETY AWARD—Peter Markovich, president of North San Mateo County Insurance Agents association, presents Daly City Mayor Joseph Verducci with citation for City of Daly City. City earned award for going without traffic fatality (pedestrian or auto) from Memorial Day to Labor Day in 1956. The award is sponsored jointly by California Insurance Agents association, National Automobile Club and National Safety Council.

Two Jeff Hi Grads Enlist As Sailors

Two more Jeff High graduates, Phillip W. Daniels and David F. Koskinen, recently signed up with the U. S. Navy at the recruiting station here.

Daniels is the son of Mr. and Mrs. John Daniels, 124 Wilshire avenue, and Koskine is the son of Mrs. Mildred Koskinen, 140 Lynnewood drive.

The pair enlisted under the Navy's "Buddy Program," which will find them in the same unit at San Diego Naval Training Center. After nine weeks of "boot" camp, they will be sent to advanced training schools.

Information on naval opportunities is obtainable at the recruiting station, 6705 Mission street, PL 6-3740.

County Urges Salk Shots For Persons Under Age Of 40

As part of an all-out nationwide effort to wipe out polio, San Mateo County Medical Society has set up a program to persuade all residents under the age of 40 to be vaccinated before this summer.

Doctor members of the society began vaccinating persons with Salk vaccine on a fee basis. The program will continue until June 1.

Meanwhile, the county health department is establishing clinics for persons who normally receive medical care at county expense, and will give them the Salk shots free of charge.

There are approximately 237,000 people in the county under the age of 40. Of this number, 60,500 under the age of 20 already have had at least two of the required shots during the past two years.

The state will provide enough vaccine for 51,000 persons. This leaves approximately 125,000 county residents in the most susceptible age group who will have to seek vaccination through private channels.

State Suspensions Hit 3 Drivers Here

Probationary status was ordered for Joseph Dillon, 216 Frankfort street.

Escaping suspension of license although convicted for drunk driving was Byron U. Evans, 836 Templeton avenue.

Citizens School Study Committee Outlines Motives

Statement of purpose and "operational guide lines" were adopted last week by the newly-formed Citizens Committee for Better Schools.

The committee listed its two major purposes as follows: "To become familiar with the educational system in order to support actively and participate with the school boards and school administrations in making our local schools better in every respect for the education of our children; to foster broader citizen participation in school concerns and to insure that capable persons are encouraged to seek election for the school district board of trustees."

The committee cited one of its major roles as that of a fact-finding group.

Lawrence Freiberg is chairman of the new citizens group, which meets on the fourth Monday of each month. Meetings are open to the public.

Property Tax Is 33% Higher Than Levy 5 Years Ago

Average property tax per person in San Mateo county is up 33 percent since 1953, but the consumer price index is up only 3 per cent for the same period, California Taxpayers' association reported today in making its five-year study of property taxes in California counties.

Property taxes in the county are going up faster than population and the increase in prices combined, the association pointed out.

Per capita levy on property in the county—for all the local governments in the county—averaged $118.14 for 1956-57, compared with $88.84 for 1952-53, the association said.

Total levy on property in the county this year is $42,141,118, compared with $25,328,802 for 1952-53.

Property tax levies are fixed by what a local government budgets to spend, less what it will get in subsidies and other revenues. The local government budget is the controlling factor.

If property taxes for 1957-58 are to be held in check, budgets for local governments—already in the planning stage—must be held in check, the Taxpayers' association declared.

Crocker School Kids Visit Video's 'Science In Action'

By Mona Baker

Across one wall in the fifth grade at Crocker school is a brightly colored mural (made by the students) showing cameras, microphones, lights and other television props. The mural tells the story of the exciting experiences of the class when they visited KRON-TV and watched a rehearsal of the noted television program "Science In Action," with host Dr. Earl S. Herald, nationally known scientist and a resident of Westlake.

Last week, accompanied by their teacher, Mrs. Margaret Clarke, the class was privileged to go behind the scenes and watch preparations for the telecast which was on the subject of "magnetism." It was a bright-eyed and thrilled group of youngsters who alighted from the bus and trooped into the Chronicle building.

R. D. Irving, KRON's promotion manager, escorted the children back to the studios where they met Dr. Herald, script writers Freda McCaig and Richard E. Cook, and program art director Ernie Rook. In preparation for their field trip, the students had been studying magnetism, so they watched in fascination as guest scientist Dr. Arthur F. Kip of University of California's Physics department demonstrated various magnetic principles.

Produced by the California Academy of Sciences and sponsored by American Trust, "Science In Action (Mondays, 7 p. m., Channel 4) is one of the outstanding television programs in the country and has received numerous awards, both locally and nationally. Dr. Herald, curator of aquatic biology at Steinhart aquarium, is a talented and able host.

Benjamin Draper, executive producer of the program, told us that because of great demand, films of the program have been made available for use in the schools throughout the nation in their audio-visual programs. One of the Bay area's leading television producers, Draper remarked, "Our program is real people doing real things." Certainly on the program, we the viewers, meet some of the nation's leading scientists. As explained by Dr. Herald, science becomes a very real and interesting part of our lives.

Dr. Hanford Marcus, membership chairman, reports that the current membership drive is well under way. Ten families registered for membership last week. Membership includes religious school and high holy day seats. Also, a weekday Hebrew school is available for anyone interested.

Plans are in the making for a huge Purim program on Sunday morning, March 17, at 10 o'clock. All children in the religious school will be expected to come in costume. Prizes will be awarded to those dressed in the category of biblical, Purim or other Jewish holiday dress.

Two hilarious Purim plays will be presented: PURIMNET, by Mrs. Anthony Horne's class, and THE HERALD'S DILEMNA, by Kenneth Wechsler's class. The primary grades will dramatize Purim songs and the Temple Sisterhood will provide Purim refreshments for the children. Parents and friends are invited.

On Sunday, March 24, at 2:30 p.m., Temple Judea Sisterhood will sponsor the showing of "The Emperor's New Clothes" by the San Francisco Children's Opera company at Marine Memorial theatre. Reservations, $1 for children and $1.25 for adults, may be made by contacting Mrs. Jerome Jacobs, PL 6-0269, or Mrs. Maurice Weiss, JU 5-3279.

Things Are Bright For B'moor Couple, 'Fund' Hits $277

Thirteen more donations have swelled the "Dalton Fund" to $277.50 as the drive enters the homestretch this week.

Heartened by the response thus far, chairmen Gwin Mitchell and Ray Savage are confident the final sum will be enough to get the unfortunate Broadmoor couple a door and ramp extension for their home at 1024 Gilman drive.

Mrs. Mitchell and Savage are getting estimates this week on the costs of lumber and other materials for the project. The labor has been volunteered by several carpenters. Needed now are persons to help paint the exterior of the Dalton residence. Individuals who would like to help should call either Mrs. Mitchell, PL 5-0679, or Savage at police headquarters, PL 5-3838.

Latest contributors to the fund were: Girl Scout Troop 81, Mr. and Mrs. Manuel Silva, Richard Opperman Plumbing, Mr. and Mrs. Club of Holy Angels church, Anthony Cain, Mr. and Mrs. James Shields, Mr. and Mrs. Weiss, Frank Tanner, Bill Nichols, Mrs. Laura Beggam, Mr. and Mrs. Joe Marty, and two anonymous donors, one of them called "Al."

Helicopter Saves DC Youth, 'Helper' From Coast Waters

A Coast Guard helicopter plucked a 17-year-old Daly City youth and his would-be rescuer from the surf off Devil's Slide on the Coastside Sunday just in the nick of time.

Saved from drowning were Nick V. Hunsperger, Jefferson High student of 134 Santa Cruz avenue, and Kiyosai Tanamachi, a San Franciscan who was trapped when he tried to save Hunsperger from the waves.

Sheriff's deputies said the youth, climbing down the steep cliff with several buddies, was knocked down by a huge wave and swept about 300 feet from shore. Tanamachi, fishing nearby, jumped in to save Hunsperger, but he, too, was overcome by the raging waters.

A passerby noticed their plight and quickly summoned sheriff's officials in Sharp Park. A few minutes later the helicopter, piloted by Lt. Henry Pfeiffer, pulled the pair from danger. Both were released from Junipero Serra hospital after treatment for immersion and shock.

JEFF OTTINGS

By Alda Caggiano

El Rancho Restaurant in Millbrae was the site of the fall Executive Board Dinner last Thursday. Students had their choice of prime rib, cross rib, abalone steak, or chicken, which was served with soup, salad, potatoes, and a vegetable. After dinner the group was entertained by a 15-minute aqua show. Many of the executives later attended the Golden Gate Theater and saw "Battle Hymn." Guests at the dinner were Ron Moon, George McNutt, Florence Verducci, Sandy Enloe, Phil Delucchi, Dan Miceli, Arlene Storm, Lee Casentini, Vicki Tomasi, Ron Rivera, Pat Kennedy, Mike Wedlake, Dave Harris, Nadja Colby, Alda Caggiano, Gladys Grassini, Phyllis Tomlinson, Ethel Shaw, Bob Brandt, Jim D'Amour, Roger Filipelli, Diane Verducci, Charlene Von Fleet, Gay Robinson, Edyth Guidry, Lowell Klaisner, Ray Navarra, Bruce Freeland and Beth Brownlee.

Tomorrow night in the cafeteria, between 8:30 and 11:30 p.m., the seniors will present "Shipwreck Shindig." Many ingenious decorations have been devised in accordance with the unusual theme of this dance. The main attraction, however, will be the long-awaited anouncement and crowning of the senior boy and girl whom the students chose to reign as "King and Queen Beachcomber." Dress for this affair is casual—preferably cottons, to add to the South Seas effect. Dancing will take place to the music of the hi-fi set, while "Jungle Juice" will be served during the course of the evening.

The week of March 18th has been specially designated as Clean-up Week, a period during which students will make an attempt to keep campus grounds free of unnecessary debris, and thus take pride in the school.

Mrs. Marjorie Reandeau, president of the Bay Section, represented 13 counties at the Convention of National School Administrators at Atlantic City, New Jersey, during the week of February 15. The highlight of the convention was a speech by John Kennedy, senator from Massachusetts. Two of the major topics of discussion were merit ratings for teachers and the idea of attending school for one complete year, consisting of four equal semesters.

The Junior Assembly, based on the Steve Allen Show, was held February 27 in the auditorium and proved to be quite successful. The first act found Paul Tapia imitating Elvis Presley. He was followed by JoAnn Bhend playing "Bumble Boogie" on the piano. Delia and Ino Patron did a bullfight mambo, after which Barbara Meyerson and Gerry Tower pantomined to the record, "Love is Strange." Other participants in this highly entertaining assembly included Jerry Starr and his planets, Barbara Mattes, Ethel Shaw, Virginia Edinger, Connie Murphy, Alberta Giannini, Gloria Pelz, Reed Price, Barry Haanen, Gary Romriell, Ino Patron, Vivian Rodgers, Charlotte Cox, and Janet Brown.

Progress of the spring play, "The Taming of The Shrew," which will be presented on April 4 and 5 in the auditorium, is quite rapid and very pleasing to all concerned. This play is under the direction of Miss Eunice Seaton and the student director is Sharlee Nelson.

At the last PTA meeting, held February 20, officers were nominated and a short skit on fire drills was presented. The highlight of the evening, however, was the acceptance of life memberships by Mrs. Mary Mollison and Mrs. Marion Kramer for their splendid achievements.

Spring session of the PAL Conference will be held on April 9 at Hillsdale. Registration will begin at 9 a.m., and the day will conclude with a general assembly that afternoon. Some of the topics for discussion will be: school spirit, voting requirements, class activities, and school athletics.

Luann Carpenter and a combo, consisting of Hank Johnson, Larry Ziegler, and Sandy Karn, entertained at the last rally of the basketball season last week. The pep girls, along with the mascot, Judy McCullough doing acrobatics, did a routine to "In A Persian Market." The majorettes performed to "Robin Hood," also displaying unique outfits corresponding to the record. School spirit was greatly increased when a number of new yells were introduced.

Life membership pins in the C.S.F. have been awarded to Florence Verducci, Barbara Bauer, Ray Navarra, and Bob Knowles, for their outstanding work in maintaining the exceptional grades which have allowed them to remain as members of this organization for five semesters out of the last six of their high school years.

Recently elected officers of the Art Club are Bill Bertetta, president; Louis Hayes, vice-president; Avis Ray, secretary; Dick Lair, treasurer, and Rosalie Santiago, committee chairman.

Advanced shorthand classes are planning, sometime in March, a field trip to the telephone company, where the students will get a look at the everyday business world. They will go behind the scenes to watch secretaries and typists busily engaged in their daily chores. This trip is sure to be very helpful to these students, as it will enable them to watch the proceedings of office work, which they themselves may choose as a career.

Margaret Hoppe, Barbara Dominguez, JoAnn Bhend, Ray Thornton, and Bill Beretta are the students chosen by publicity commissioner Dave Calloway to serve on his committee this semester.

Winner of the contest will be crowned in April.

POOR SPONSORSHIP'

Cub Pack 248 Parents Criticize WIA

A lively protest charging the Westlake Improvement Association with "inadequate sponsorship" of Cub Pack 248 was lodged Monday night by ired parents

The fireworks started after directors read a letter from William Pengra, Pack 248 committee chairman, citing the association for poor leadership, sub par facilities, lack of financial aid, and in general, no direct support of Pack activities.

Spokesman for the pack, Chad Reade, took the floor and challenged the association for their alleged failure to live up to their "sponsor" status obligations.

He repeated Pengra's charges, reminding that they echoed the sentiments of 55 families connected with the Pack. "We didn't come here to ask for money," blurted Reade," but we'd like to find out just exactly what a sponsor should be."

Reade declared that as sponsors of the pack, the first in Westlake, the association has failed to live up to commitments. He said that the WIA had made little "direct contact" with the unit and that "only once in the past 4½ years have we been given money."

"It's the duty of a sponsor to take an interest in the pack, and this just hasn't been evident by the association," he continued. "The association appears to be the sponsor in name only."

Association directors, surprised by the allegations, quickly countered Reade's remarks.

Hartley Appleton, association attorney, said the WIA gave the Pack its initial boost five years ago with an outlay of more than $100. "With the formation of five other units in the area since then," he stated, "the association ruled, on my recommendation, that it would be unfair to the other packs if we continued financial support of Pack 248 without helping the others. We just don't have the funds."

Reade asserted again that it was the duty of the sponsor to maintain direct contact with the unit. He said that Jay Irick, institutional representative of the pack with the association had attended "only one pack meeting in about three years." He continued, "It's pretty evident the association doesn't have much interest.

Charles Santuccio, acting WIA chairman, and other directors indicated the pack's "plight" was news to them. Director Edward Murphy, new institutional representative for Pack 248, said, "We've heard no complaints before."

"Mrs. Rose Toboni explained blurted Reade, "but we'd like to that the association offers the clubhouse facilities to all Westlake units. Santuccio again joined in to remind that the WIA was definitely behind all youth organizations in the area.

After much bickering, the association moved to send a letter to regional Scout headquarters for clarification on the pack sponsorship. At director Glenn Zwicker's request, Pengra's letter also will be forwarded. Santuccio said Reade would be informed of the association's stand following a reply from Scout headquarters and a closed session of directors.

Reade hinted that if the association continues its alleged apathy toward the Pack, the unit would seek another sponsor. "At least three or four other groups are interested in sponsoring us," he concluded.

Other Pack 248 parents with Reade at the meeting were Cubmaster Sol Numan, Richard A. Davis, and Al Smith.

In other business Monday, Andrew Baffico reported that the architectural committee met in mid-February to discuss the fence problem in Westlake. He advised all homeowners who intend to build fences and additional rooms to submit their plans to his committee for approval. This, he declared, is necessary to preserve the uniformity of the area. On the architectural committee are Homer Pechart, Tom Toohey, Edward Luhman, George T. Kerska and Nat Gaggero.

The crowd loudly applauded guest speaker Hugh H. Smith Jr., Chamber of Commerce president, who talked briefly against the one-cent city sales tax.

Commenting on the council's backing of the levy, despite heavy public opposition, Smith declared, "We are sure the councilmen must have faith in the people as well as vice versa."

"No city council can bind a successor council to future action without the approval of the voters," he declared. "I know that if three of the five councilmen approve the sales tax it would create a situation of jeopardy with a quarter of a million dollars a year in their hands."

Smith also announced he asked a study group of Stanford and California researchists to prepare a full report on Mayor George Christopher's proposal to merge San Francisco and San Mateo counties. He explained this would bring all the facts, both pro and con.

Smith urged a big turnout for next Thursday's charter government meeting at Westlake Joe's, sponsored by the Chamber of Commerce. He also has scheduled an expert to discuss the Hoover Commission Report at the Chamber meeting at Joe's on March 21.

Councilman Del Wilson was scheduled to talk on property taxes at Monday's meeting, but he left because of another commitment.

A lecture and film on the monorail transit system was presented by Thomas A. Jovick, Westlake resident, who represented the firm of Daniel, Mann, Johnson and Mendenhall. His appearance was arranged by director Murphy.

Troop 243 Scouts Enjoy Fun In Snow On Sonora Junket

Boy Scout Troop 243, sponsored by the OLPH Men's club, journeyed some 150 miles Friday evening to Sonora Pass for a long weekend of tobogganing and frolicking in the snow.

The boys had "a wonderful time," both at the lodge where they stayed and at various slides along the pass. Scoutmaster Harry Hettel reported that 28 scouts were transported to and from the "winter playland" by Scouters Joel Cook, Joe Arnold, Bill Kelly, Ed Ciabatteri and Dan Brooks. Boys on the expedition: Dennis Kelly, Mike Goulden, James Fair, Stan White, Earl Smith, Robert Brooks, Fred Brooks, John Ciabattari, Gilbert Dinsmore, Paul Bacigalupi, Glen Laughner, Bill Yriberri, Gary Arnold, Danny Craig, John Day, George Luna, George Dahl, Jack Durham, Bill Bruening, Mike Drew, Ed Thomas, Jack Petric, Mike Ocampo, Terry Myers, Blair Tudor, Pat Clements, Joseph Pfitzer and John Marino.

Sunday morning the boys donned their "Sunday" clothes and attended church services, after which they were off to enjoy more tobogganing. There were no casualties and all arrived home in dry warm clothing, "very tired, but ready to do it again."

FOURTH GRADE
MRS. HAWKINS

Our class took a trip to Chinatown. We saw everything—the temples, telephone company, and the Chinese World newspaper.

We had lunch at the Far East Cafe. We tasted Chinese dishes of pork chow mein, fried rice, sweet and sour spare ribs, fortune cookies, and Jasmin tea. They were delicious! We really enjoyed our trip, which was part of our study of the history of California.

FIFTH GRADE
MRS. LEIBE

Our class has been studying about fractions. We all made our own fraction kits to keep in our desks, then we made fractional pieces to put in our kits. We made wholes, halves, thirds, fourths, sixths, and eighths. First, we made these pieces with circles, then we took out our foot rulers and used them to make accurate measurements of fractional parts. Mrs. Leibe has a large piece of cardboard covered with flannel, and her fraction pieces have flannel glued to the back of them so they will stick to the flannel board. She can use her fraction kit in the front of the room while we use ours at our seats.

We have also learned a new folk dance named the "Missouri Mixer." Sometimes we dance in our classroom, but if its a nice day day we dance in the yard. We also like to dance "Cotton-eyed Joe," "The Virginia Reel," and "Jolly Is the Miller."

'Best Ever' Golden Gloves Card Here Lists 18 Bouts

Third annual Golden Gloves elimination bouts next Thursday night at Daly City community center are expected to be the "best in history here," an OLPH Men's club spokesman said today.

Walter Gillies, Men's club chairman, reports that 18 outstanding scraps have been carded. Northern California's best novice, junior and senior boxers will be swapping leather.

Winners in the senior division will advance to the March 21 and 28 trials in San Francisco, and if successful, qualify for the national finals in Boston.

Thursday's program starts at 7 o'clock, and tickets are going fast. Reserved seats are $2, general admission $1.50, and children will be admitted for 75 cents.

"We expect a sellout," Gillies beamed, "so I advise all those who plan to come to get their tickets now."

The bouts are sanctioned and conducted under rules of the state athletic commission. Both previous Golden Gloves shows here drew capacity houses.

Peninsula League Chosen New Title Of North PAL Loop

Board of managers of the member schools last week designated "Peninsula League" as the new name of the North PAL which becomes extinct this July.

Their action followed the recent decision to divide the North and South PAL into two separate, self-governing leagues.

South PAL managers, meanwhile, tabled the selection of a new name for their circuit.

Constitutions and by-laws of both loops will be adopted later this spring. Also to be settled is the matter of supervisors for the leagues. George McKeon currently serves as commissioner for both the North and South PAL.

Glenn South, Westmoor High principal, is vice president and treasurer of the new North PAL board of managers. He also is on the committee drafting a constitution for the forthcoming Peninsula League.

W'lake Auditorium Has Busy Schedule

Westlake auditorium's rise as a social center was evident over the weekend as more than 1000 people participated in activities there.

San Francisco Chapter of Mills College Alumni packed the place Friday night with their annual "Buttons and Bows" dinner-dance. Chairman for the fete was Ted Tronoff, of 5 Pinehaven drive.

More than 400 folks invaded the auditorium Saturday morning at the wedding reception for Miss Geraldine Holl of San Francisco. That evening, a dinner-dance held by the Brotherhood of St. Stephen's church attracted approximately 500 persons. C. J. Hohman was chairman of the festivities.

W'LAKE INFANT DIES IN CRIB, ORDER AUTOPSY

A three-month-old Westlake infant, apparent victim of lung congestion, died Tuesday morning after efforts by firemen to revive him failed.

Pronounced dead on arrival at Junipero Serra hospital was Robert W. Lyon, son of Mr. and Mrs. John M. Lyon, 56 Weston avenue. An autopsy is pending at W. C. Lasswell's.

The infant's father, who said the child was under treatment for a heavy cold, summoned firemen when he found the baby lifeless in a crib about 9 o'clock. The firemen worked frantically with resucitator equipment for 15 minutes, then rushed the infant to the hospital.

Golden Gate Park in San Francisco has 7-½ miles of bridle paths.

ALUMNI SWEEP PAIR FROM INDIAN FIVES

Jefferson High's alumni cagers proved they still "had it" Tuesday night by sweeping both games over the Indian varsity and 30's.

The grads won the varsity tilt, 59-50, and eked out a 43-42 verdict in the lightweight duel. A disappointing crowd attended the doubleheader in Jeff gym.

Larry Blanchard and Bud Figone teamed to lead the varsity romp. The CSM ace bucketed 15 points and Figone got 14. Jeff led 15-12 at the end of the first quarter, but went scoreless in the second period and trailed to the finish. Halftime tally was 24-15.

The Alums held Larry Pottinger, North PAL "Player Of Year," to 7 points. Guard Barry Haanen and reserve center Dennis Marc took up the slack, each with 10 markers.

The Tribe 30's rallied strongly in the closing seconds to make the opener a thriller. Thanks mostly to guard Ron Anguillo, with 15 points, the Alums were ahead throughout. It was 17-15 at the intermission, and the two clubs remained close all the way.

Top scorers for the Jeffs were Ino Patron, with 11, and Carl Mecchi, 10. Forward Wayne Lewis, North PAL first stringer, was limited to 8.

Jeff Ovalmen Open Season Vs. Hillsdale

Bob Watt's Jeff High cindermen open their North PAL dual meet season this Friday afternoon against Hillsdale on the Knight's oval.

The Indian varsity is rated a strong contender for the dual meet title along with Burlingame and San Mateo.

Watt's best bets in varsity competition are sprinters Sonny Martinez and Len Lamendola, 440 and relay ace Dan Miceli, half milers Dave Calloway and George Bullwinkel, miler Andy Estigoy, and shot-discuss specialists Jim Farley and Boyd Hillyer.

His B squad is headed by sophomore Felix Valdez, promising 1320-yard distance man, and Al Davila, hopeful in the 660-yard event.

Diminutive John Margaroni, dashman in the 75 and 150-yard sprints, heads the Tribe's roster.

The Indian trackmen meet Burlingame next Tuesday and Carlmont on Friday.

Colma Trojans Face Faculty Five Friday To Aid Polio March

Colma School's Trojans take on the faculty cagers this Friday afternoon in their annual March of Dimes benefit game on the War Memorial court. Tipoff is 3:30 o'clock

The Trojans wrapped up Peninsula Elementary League chores last week with a 32-23 win over Burlingame. The triumph left them with a 4-4 loop record, and 6-5 for the season. It also was their third conquest of the Blingum five.

High man for Colma was Sonny Stroller. He bagged 10 points and played outstanding defensive ball.

PEDROMEN CHALLENGE M&O's SUPREMACY

Leadership in the Daly City-Colma League remained up for grabs Tuesday night as San Pedro Lunch's keglers closed to within a game of loop-pacing McGahey & Olson.

Making a strong bid with only six weeks to go, the Lunchmen took three games from Luce Meats, while the M & O crew was dropping a pair to Carmona Chemical.

Towne House blanked Carlo's Pizzeria to take over third place, 2½ games out. T. Santos paced the barmen with high series for the evening. He rolled a 599 on games of 219, 201 and 179.

High game honors went to Rudy Alholm of Westlake Homes with a 222 first game. He added 142 and 170 games to post a 534 series. The Westlakers split-decisioned Bank of America.

Other teams taking 2-1 wins were Donnellan Realty over Plaza Furniture, Paul's Flowers over Brisbane, Daly City Cleaners over Edisco, and Vince and Fred's over Thur Meat.

Next week's main battles match M & O against Westlake, San Pedro and the Cleaners, Towne House and Thur Meats, Brisbane and Donnellan, and V & F against Carlo's.

Burlingame Socks SJ's Links, 42-39, To Cop PAL Title

Burlingame's hustling cagers captured the PAL championship and a Tournament of Champions berth Friday night by turning back Lincoln of San Jose on the Jeff court, 42-39.

The Panthers, North PAL champs, made easy work of the South PAL kingpins. They led all the way and never were headed.

Pete Carboni topped Blingum's attack with 11 points. Rich Hosley, the Links' 6-7 center, led his mates with 22.

The Panthers, who swept their division with 11-1 record, are favored to win the T-o-C tourney at Berkeley this Saturday night. Their record this season gave them the school's first PAL cage crown in 30 years.

San Jose's 30's downed Capuchino, 43-34, in the lightweight playoff.

400 ATTEND ANNUAL GIRL SCOUT-FATHER DINNER IN W'LAKE

A throng of 400 Brownies and Intermediate Girl Scouts, their fathers and Troop leaders recently filled the Jefferson High cafeteria for Westlake's annual Girl Scout Father-Daughter box supper.

The evening was started with a flag ceremony performed by Intermediate Troop 68. After an introduction by the chairman of the supper, Mrs. Alice Richards, each girl and her father had dinner on separate troop tables, decorated by the girls to the theme "Homes of Today and Tomorrow."

Following the dinner, talks were delivered by Mrs. Eunice Altmen, Westlake Neighborhood chairman, and an active Girl Scout father, Tom Heagerty of Millbrae.

Each of the remaining 17 active troops in Westlake performed to the delight of the audience.

NEXT WEEK

Mock Battle Will Feature W'lake Armed Forces Show

Residents of the area will have a chance to inspect and fire a machine gun during the Armed Forces celebration and recruiting drive at Westlake Shopping center next week.

Set for March 14, 15, 16, the display will be stationed throughout the entire 64-store shopping center and will feature both static and active exhibits.

The U. S. Marines from Tanforan will stage a mock battle in the undeveloped land next to the Bank of America, and will set up a complete replica of a machine gun nest. Spectators will have the opportunity of "squeezing off" a couple of rounds of blank ammunition during the show, according to Lt. Col. Thomas M. Leineweber, head of the 7th Infantry Battalion. In addition to the machine gun nest, the leathernecks will demonstrate the firing of a trench mortar, it was learned.

Plans call for a vast display of armament for the three-day show, with a Coast Guard simulated air-sea rescue, display of Army helicopters, Navy floats and replicas of ships, including the Nautilus. The Coast Guard will have an elaborate activated display, while the Air Force is to have static displays throughout the shopping center.

Vet-Laden Jeff Baseballers Strong Flag Contenders

With the opening of North PAL play set back two weeks because of troublesome rains, Jefferson's vet-studded varsity baseballers are hoping for good weather as they gear for their league opener March 26.

Loop action was scheduled to open next Tuesday, but both North and South PAL officials decided to postpone the campaign to allow the boys to catch up on practice. Games slated the next two weeks will be played at the end of the season.

Washed Out

Wet grounds have washed out all four Indian practice tilts to date. Coach Steve Nezzera's squad is slated to meet St. Ignatius today at Marchbanks and Poly of SF this Friday at Big Rec. Next Wednesday afternoon the locals will host Serra on the Marchbanks diamond at 3:15 o'clock.

Stocked with nine returnees, Skipper Steve has good reason to expect a banner year. Pre-season dope is that the pennant chase will be between the Indians and Burlingame. Last season, Jeff lost the PAL crown in a playoff.

Mezzera's lineup shows both balance and power. Heading the '56 veterans are outfielders Barry Haanen and Tom Cloutier, three and four in the batting order. Haanen topped the Tribe stickers last season, with Cloutier close behind. Haanen will start in left field, Cloutier in center, and Jim Wilson in right.

Infield Strong

Infield-wise, Mezzera has Paul Tapia at first, Ino Patron at second, Mike Wedlake at short, and Leroy Franzoia at the hot corner.

Sturdy Bill Strassburger heads the catching corps and could be the best in the league.

Jeff's hurling staff is headed by Ed Leveroni, number two flinger last season. He's backed up by Tapia and Wilson, two lads with lots of promise. Gary Ryan and Haanen are available for relief duty.

Other Hopefuls

Top fill-ins are Del Scott and Ryan in the outfield, and Wayne Lewis at shortstop. Others expected to see action are outfielder Lou Arrighi, first sacker Gene Firth, and backstop George Domenici.

Team managers are Olin Craig and John Finley.

The Indians will play nine league games at Marchbanks, starting with Carlmont March 26.

W'moor Nine Debuts Friday In Palo Alto

Westmoor High's first varsity baseball nine will make its debut, weather permitting, this Friday afternoon at 3 o'clock against Cubberly in Palo Alto.

Coach Dutch Meyer's Rams were rained out of Tuesday's scheduled opener with Emery High across the bay. The locals, mostly sophomores, are raring to go, Meyer reports.

Righthander Dave Simmons will open on the mound. His battery mate is "Jumbo" Sarro.

Meyer's starting infield is Bob Woodworth, 1b; Gary Houston, 2b; Carby West, ss, and Mike Deal, 3b.

In the outfield will be Rich Hottal, Sid Swanson and Gary Twitty, left to right, respectively.

Two road tilts are on tap for the Rams next week. They battle Lick Wilmerding on Tuesday and face O'Connell High on Friday.

Holy Communion Opens Lent Slate At St. Martin's

Lenten activities at St. Martin's Episcopal church began today, Ash Wednesday, with a holy communion service in the vicarage chapel, 94 Palmdale avenue. Tomorrow, "short course in Christianity" will start, conducted on Thursdays during Lent by the Rev. Allen J. Downey, vicar.

Two identical sessions of this adult Christian education class will be held, at 10 a.m. and 8 p.m. in the vicarage, and all interested persons are invited. "What Am I, and Where Am I Going?" is the topic of the first meeting. Classes will be preceded, at 9:45 a.m. and 7:45 p.m., by reading the Litany, or general supplication, customarily used in Episcopal Lenten services.

Special music by the choir, directed by George A. Ritter, for morning prayer Sundays at 11 a.m. in Westlake auditorium will include the anthems "God is a Spirit" and "The Radiant Morn," the Negro spiritual "Were You There," solos by Joanne McKay, soprano, and Kenneth Bradshaw, tenor, and vocal ensemble numbers by Marian Olsen, soprano, Richard Verney, bass, Delie Waugh, soprano, Hilda Buel, alto, George McKay, tenor, and Richard Wainwright, bass.

Palm crosses for distribution on Palm Sunday, April 14, will be made by the Young People's Fellowship at their April 7 meeting under leadership of Gregory Waugh, president.

Good Friday three-hour watch service will be held in Westlake auditorium on the afternoon of April 19, with meditations by the vicar and music by the junior choir, directed by Mrs. John D. Snyder and accompanied by Allene Downey.

W'lake's George Yerby Joins Naval Air Unit

George P. Yerby, son of Mr. and Mrs. Victor L. Yerby, 38 Sheffield drive in Westlake, recently enlisted as an airman recruit reservist at Oakland Naval Air Station.

Assigned to Jet Fighter Squadron VF-872, he spends two days a month learning naval aviation skills as a member of the "Weekend Warriors."

Young Yerby is president of the low senior class and secretary of the Hi-Y club at Balboa High school. His brother, Donald, is an airman aboard the carrier USS Forrestal.

W'moor Faculty Cagers Sock SC Profs, 54-42

Ignited by Byron Van Alstyne's 27 points, Westmoor High's faculty cagers belted the South San Francisco faculty, 54-42, in a grudge tilt at the Warrior gym.

Van Alstyne, former USC star, got plenty of help from guard Tony Giammona, who bagged 20 points. Other scorers for the Ram "old gents" were Dutch Meyer, 4, and Rod Losberger, 8.

The battle was the first in an expected series between the two faculties.

W'lake Couple Seek Son On Theft Charge

A Westlake couple Monday filed a missing persons report and a charge of grand theft against their 19-year-old son who disappeared here February 24.

Mr. and Mrs. Oren Coffman, 98 Windsor drive, said the youth left a couple of days after arriving here from San Diego. Also missing were the '55 family sedan and a wallet containing $20.

Rams Tackle Warriors In Track Debut

Westmoor High's track aggregation invades South City this Friday afternoon to break the seal on the 1957 North PAL cinder campaign.

The first test for Coach Ernie Ribera's lads figures to be a tough one. The Warriors are reportedly strong in all three divisions. But all loop teams are behind schedule due to recent rains.

Ribera's top varsity men are pole vaulter Leo Wyreck, sprinter Ron Rogers, and quarter miler Ed Cyr. If the Ram tutor moves soph Dave Dunbar up to the varsity for the mile, as expected, Westmoor can courtt on a few more points.

Ribera predicts his B's and C's will give a good account of themselves this year. The varsity, however, loaded with sophs, lacks experience.

The Ram cindermen meet Carlmont next Monday and Burlingame on Friday, both "away" encounters.

3 'Trespassers' Face Sentencing Next Week

Three San Francisco youths pleaded guilty in municipal court Tuesday to trespassing on Edgemar road and face sentencing by Judge Thomas L. Bocci on March 14.

Booked here February 22 were Richard S. Manning, Arthur Citron Jr., and Ward E. Hickman.

Thomas J. Allen, of 327 Moselle street, San Francisco, was fined $25 after he pleaded guilty to a drunk charge here February 23.

Forfeiting $25 bail on his February 24 drunk arrest was Martin J. Francis, a credit manager of 20 Garden Grove drive.

W'lake Theft Suspect Says He's Not Guilty

William F. McNally, 38-year-old Sausalito resident, pleaded not guilty in municipal court last week to a charge of stealing $250 from the Westlake Flower Shop three weeks ago.

McNally, employed at the shop, was picked up by Daly City police shortly after the incident.

Judge Thomas L. Bocci set preliminary hearing for March 14.
